rental of houses to fit the means of the poor, to make such houses sanitary and habitable in the better sense of the word, and to provide work for the unemployed.

"Uncle Joe" Has a Word.

Hon. Joseph G. Cannon was the next speaker. He deciared that he was much interested in the work of the conference, and believed it was doing a good work, but that he was not prepared because of lack of knowledge to discuss the subjects which would chiefly interest the delegates as experts in art, architecture, charity dispensing, and kindred things. Mr. Cannon said he could not address such a gathering, except in the most general was done and such a subject with the most general was done and heavy, upon the themes uppermost in their minds. way, upon the themes uppermost in their ward R. Mack, George Miller, John Nolen, F. L. minds.

"Who lives next door?" and his friend was mable to tell him, excusing himself by aying he did not know. This led "Uncle foe" back to the simple customs of the country, where everybody knows avery. unable to tell him, excusing himself by saying he did not know. This led "Uncle country, where everybody knows every body and the questions which affect one affect all, and are discussed and acted upon by the wisdom arising from fre- Knox, Mrs A. P. Clark, jr. and serious discussion among

Raps Homes Commission. Mr. Cannon paid his respects to the Attorney General Issues Order Behomes commission and denied in the strongest fashion that any good could come from offering, or even insinuating, eral Anderson to-day issued an order to that the condition of country people needs the volunteers in the State militia that Secretary Haldane Says Suffragettes help from any source. He declared that owing to the lack of funds, the regular it was the farmer in touch with the State encampment will not be held this earth who is the independent man, earning his bread by his own labor, without help, or the desire of it, from anybody. help, or the desire of it, from anybody.

"Leaving the question of overcoats before the consideration, and self in favor of votes for women on the practically out of the consideration, and

"Uncle Joe's" speech was interspersed with flashes of humor, much homely wism, and a few excursions into politics which greatly delighted his hearers. Commissioner Macfarland was one of he speakers of the evening.

Keynote of the Sessions.

The future of Washington was the keynote of the sessions yesterday. Recognizing the city as the center of the nation, the architects, the builders, and the artists also see in it the one great model for the sister cities of the country, which is growing constantly more beau-

Describes Life in New York

But there they stood in the bitterest kind of weather, with no grown-ups to keep them in line or put up warning fingers. And when the hearse and the should include all cities of the future. All cities should have water fronts of Describes Life in New York.

The first speaker was Mrs. V. S. Simkovitch, who gave an interesting talk upon the congestion of population in portions of New York City and discussed some of the possible population in portions of New York City and discussed some of the possible population in portions of New York City and discussed some of the future.

All cities of the future. All cities of the future. All cities should have water fronts of which they are proud; a civic center, a radical system of streets and avenues. There should be adopted some system of the procession had passed into the park. All Fairhaven understood, if outsiders the procession had passed into the park. All Fairhaven understood, if outsiders the procession had passed into the park. All Fairhaven understood, if outsiders did not that it was most of the future. All cities should have water fronts of which they are proud; a civic center, a radical system of streets and avenues. There should be adopted some system of the procession had passed into the park. All Fairhaven understood, if outsiders did not that it was most of the future. All cities of the future. It is peared they formed a line and remained silent, with bared heads, until the last of the procession had passed into the park. All Fairhaven understood, if outsiders did not that it was most of the future. It is no doubt that there will be some formed as a standard plan to be follows:

The first speaker was Mrs. V. S. Simble the procession had passed into the park. All Fairhaven understood, if outsiders the peared they formed a line and remained silent, with bared heads, until the last of the procession had passed into the park. All Fairhaven understood, if outsiders the peared they formed a line and the long line of black funeral coaches appeared they formed a line and the long line of black funeral coaches appeared they formed a line and the long line of black funeral coaches appeared they formed a line and the long line of black funeral coaches appeared they formed a line and the long tions of New York City and discussed recognized as a standard plan to be fol-some of the socialistic and economic re-some of the socialistic and economic re-

ELKS BUSY PLANNING CIRCUS

Committees Will Visit Benning Track This Afternoon.

Rural Jubilee and Barn Dance Prom. ises to Be Unique Entertainment on June 16, 17, and 18.

There have been no busier persons in Washington the last week than the members of the various committees planning the rural jubilee and barn dance to be given by the Elks at Benning race track

Rocky Mountain region, while in all other districts the weather remained generally fair during the last twenty-four hours. The temperature continues almost and the Plateau region. In the Middle West this temperature is reported from the extreme Northwest and the Plateau region. In the Middle West this temperature remains moderate.

There will be rain in the North Atlantic States Sunday, fellowed by clearing weather and slowly rising temperature Monday; in the Middle Atlantic States the weather will be partly cloudy Sunday and Monday, with a gradual return to higher temperature; in the Gulf States, Florida, the Plains States, and the Rocky Mountain region the weather will be unsettled, with scattered local rains Sunday and Monday, the area of precipitation extending to the Mississippi Valley and the Upper Lake region Monday; in the Lower Lake region and the Ohio Valley the weather will be fair. Cooler weather is indicated for the Northwestern States.

The winds along the New Engiand coast will be brisk and high northeast and north; on the Middle Atlantic coast molerate north and northeast.

hrisk and high northeast and north; on the Middle Atlantic coast moderate north and northeast; on the South Atlantic and Gulf coasts light to moderate variable; on the Lower Lakes light northeast and east; on the Upper Lakes light to moderate which the refuses to give exact details, he lets the known that his errand was successed. it be known that his errand was successful, and when June 16 rolls around he promises to have a circus that will turn the proprietors of several professional

outfits green with envy. The chairman of the country store committee, M. B. Fenton, has not allowed any grass to grow under his feet, and he declares the country store his committee has arranged will far surpass the best cross-roads merchant emporium in

Virginia or Arkansas. Temperatures in other cities, together with the "The Candy Kid," as Edward D. John-mount of rainfall, for the twelve hours ended at 8 son, chairman of the candy committee, and his associates have been dubbed, report they will have a surprise for the 0.48 public, and Harvey Ellis, chairman of the 0.82 music committee, promises to engage 0.82 some of the best professional and ama-0.04 teur talent to be found in this neck 0.06 of the woods.

This afternoon the grounds committee, of which Fred J. Mershelmer is chairman, will visit the race course, and with 6.02 Thomas J. King and the rest of the com-mittee will lay off space for each of the various attractions. The committee on printing, headed by Frank B. Clarkson, has been working

hard, and has had 20,000 tickets printed. These will be turned over to the executive committee for distribution, accompanied by a circular setting forth the beauties of the event and asking the women-wives, sweethearts, and sisters-be interested in the entertainment. While other committees have been working, Robert M. McWade, of the committee on visiting Elks, has been map-

ping out a programme. To-morrow the members of his committee will go to Alexandria, Va. to confer with the Elks of that city, and on Wednesday will make a similar visit to the Annapolis Elks. The Baltimore lodge will be visited Swindlers Sentenced.

Havana, May 22 -Gen. Masso Parra and Col. Guerra have been convicted on the charge of swindling, and sentenced to ninety days' imprisonment.
